Monuments & Memories plus Tower Tours on Saturday 20th September We have an exciting exhibition day coming up soon. It is called Monuments and Memories. Perhaps some of your ancestors are named in the church or you know a neighbour or friends who would like to find their long lost ancestors. Come and see. Tower Tours are back again by popular demand. If you are fit and healthy perhaps you could climb to the top of our church tower and look at Midsomer Norton from a different angle. We would love to have you join us on Saturday 20th September. The exhibition opens at 12noon with scrumptious refreshments available and the Tower Tours open from 2pm in the afternoon. The event will finish at 5pm. This exhibition is for all ages to enjoy and perhaps learn something you did not know about our church, town and people past and present.

If you would like to help in any way with this event then please add your name to the list at the back of the church.
